BENEFICIARY

All proceeds after costs go to the **Beneficiary** : [NeuRA - Neuroscience Research Australia](#)

Neuroscience Research Australia (NeuRA) has been at the forefront of neuroscience for over 30 years. NeuRA is an independent, not-for-profit, medical research institute dedicated to improving the lives of people living with brain and nervous system disorders.

Its Spinal Cord Injury Research Centre (SCIRC) has positioned NeuRA as a world leader in neurostimulation research. The SCIRC is aimed at improving the lives of people with spinal cord injuries. This facility contains state-of-the-art exercise, rehabilitation and neurophysiology equipment.

DRESS CODE

(Optional): As with all Got Balls shows, dressing up is highly encouraged. Whether you're a Spiderman, Wonder Woman, Wolverine, or Deadpool...don't be caught looking anything but super. Super shiny disco outfits are also considered super!

As Batman once said, "It's not who you are underneath, it's what you do that defines you." So let's celebrate all that makes us super, support others when we can, and get ready to blow the roof off the Arca hotel in Gotham city aka Wong Chuk Hang.
